```
console.log("Javascript Logic 🤮")

console.log("5" - 3) \\ 2

console.log("5" + 3) \\ 53

if (5 == "5") {
  console.log("This is true")
}

if ([] == false) {
  console.log("Also True")
}

if (null == undefined) {
  console.log("Obviously true")
}

if ([] == ![]) {
  console.log("True... 💀")
```
